### June 3-7: Mastering the Fundamentals of Campus

The cost of the class is \$750.00. The description of the class is below:

Monday-Thursday 8:30 AM-4:30 PM. Friday 8:00 AM-12:00 PM. Hickman County High School,

301 James H. Phillips Dr., Clinton, KY 42031

Mastering the Fundamentals of Campus is a 4.5 day, in-depth course designed to understand the Campus Application from student to staff to system administration and maintenance. This course covers the functionality of the Campus SIS giving unique examples of different usability and setup options.

To register for this course please go to [icu.infinitecampus.com](http://icu.infinitecampus.com). and search for **CCR 4100:**

**Mastering the Fundamentals of Campus-Regional – Location – Hickman County**

## **June 18-20: CCR 4230: Fundamentals of Campus Database**

The cost of the class is \$900.00. The description of the class is below:

Tuesday, June 18, 2013 - Thursday, June 20, 2013 Starting at 8:30. KDE 500 Mero Street, Frankfort KY

This course will cover the Campus database schema. The core tables and views will be explored using the SQL SELECT statement. Course also covers Microsoft SQL Reporting Services (SRS) as used with Infinite Campus. We will create simple and complex reports and see how to link them in Campus.

**Prerequisites:** participants must pass a SQL pre-test and have 6 months experience with Infinite Campus in an administrative role. The pre-test will be sent to registrants about two to three weeks prior to start of training.

**Materials Requirement:** This course will require use of a computer with a query tool such as Microsoft SQL Server Reporting Services (SSRS) or Management Studio. Also will require use of a computer with Microsoft Visual Studio/SSRS installed.

**Recommended:** Experience with another reporting tool such as Crystal Reports or MS Access

To register for this course please go to [icu.infinitecampus.com](http://icu.infinitecampus.com). and search for **CCR**
